

A photograph of a modern glass-walled building at dusk. The building's facade is highly reflective, showing the sky and surrounding environment. In the foreground, there are blurred light trails from a moving vehicle, suggesting a busy urban setting. The overall mood is professional and dynamic.

# BDO OUTSTAFFING FOR YOUR STRATEGIC GOALS

## WHAT IS **OUTSTAFFING**?

Outstaffing is a type of remote employment when specialists are officially hired by an external company. External company provides required human resources capital to your business for a specific time, with specific resources, clearly defined in the contract between the Outstaffing service provider and your company.

During the contracted period Outstaffed employees carry out all the job duties and responsibilities that your in-house employee would normally have.

# OUTSTAFFING SERVICE PROVIDER RESPONSIBILITY

Officially hire needed human resources capital on your behalf. Employees would be of your preferences, pre-arranged, with desired skills and experiences.

Provide employees with equipment, workplace, insurance, benefits, transportation, cellphone services or any other resource needed for performing required job.

Manage salaries, leaves, taxation, all calculations, and declarations based on local labour law.

Manage bank transactions

Provide statistics, reports and paylips

# WHAT ARE THE BENEFITS OF **OUTSTAFFING?**

## **Makes it easier to enter new market**

01

For international companies it takes time to learn and understand local law of any country, and while planning to enter a new market, it's better to hire Outstaffing service provider to help manage all administrative activities regarding HR management, salaries and attached local labor law.

## **Time saving**

02

Delegating management of human resources capital frees up your time and space to concentrate more on company strategy, workflow, marketing and other management tasks.

## **Risk Insurance**

03

Due to experience of Outstaffing service provider the risk of wrongdoings, errors and nonprofessional behavior is lowered if not extinct.

## **Cost saving**

04

In most cases you save up costs while choosing Outstaffing, because in-house employment relates not only to monthly salary expenses, but also equipment, workspace, training and development of employees, creating and managing employee goodwill and costs of other benefits.
